

MATTHEW A. MUSE, M.B.A., P.E., PMP

Mr. Muse is a Principal with Long International and has 25 years of project management experience, including contract analysis, delay analysis, dispute resolution, subcontractor management, risk management, budgeting, change control, critical path schedule preparation, earned value reporting, and cost forecasting. He has analyzed construction schedules for owners and contractors to determine the causes of construction delays and to equitably allocate responsibility for delay-related costs. His project experience spans various industrial sectors including energy, combined cycle, coal, nuclear power plants, utilities, as well as automotive body, paint, and assembly facilities. Mr. Muse is proficient in the use of Primavera P6 and P3, Microsoft Project, Oracle and SAP financials, Prolog and Prism cost reporting, Hard Dollar estimating and cost control. Prior to joining Long International, Mr. Muse held positions as a Field Engineer, Project

Manager, Project Controls Analyst, Project Controls Manager, District Project Controls Manager, and Director of Project Controls.
